SUPPLEMENTAL SHEET.

SERIAL NO. 5696

OFFICE OF THE STATE ENGINEER, CARSON CITY, NEVADA.
Date of first receipt and filing in State Engineer's office AUG 28 1919
Returned to applicant for correction AUG 28 1919
Corrected application filed _____

IN THE MATTER OF PERMIT NO. 1715.

Comes now, L.S. WEATHERS, who is the owner of Permit No. 1715 issued by the Honorable State Engineer of the State of Nevada, on the 12th. day of December, 1914. granting the owner thereof, one second foot of the waters of Boulder Creek for the irrigation of One Hundred (100) Acres of land in the West Half of the East Half ($W\frac{1}{2}E\frac{1}{2}$) of Section Two (2), Township Thirty-six (36) North, Range Fifty-nine (59) East, M.D.B. & M., and hereby respectfully applies for permission to change the point of diversion named in said permit, from the point of diversion named in said permit, namely, the head of the St. Clair-O'Brien Ditch in Section Twenty-five (25), Township Thirty-six (36) North, Range Fifty-nine (59) East, M.D.B. & M., to a point in the Northwest Quarter of the Southwest Quarter ($NW\frac{1}{4}SW\frac{1}{4}$) of Section Thirty (30), Township Thirty-six (36) North, Range Sixty (60) East, M.D.B. & M.

The reason for this application is, that the waters granted by said permit, and owned by the applicant herein, can be more advantageously diverted from said stream and conveyed to the lands described in said Permit No. 1715, if the change herein applied for is granted, than by using the point of diversion mentioned in said Permit No. 1715;

It is intended to divert the waters from said point by means of a dam, and through a new ditch to be constructed from said point, running thence in a general northeasterly direction across portions of Sections Twenty-five (25), Twenty-three (23), Fourteen (14) and Eleven (11) of Township Thirty-six (36) North, Range Fifty-nine (59) East, M.D.B. & M., and the lands to be irrigated in the said West Half of the East Half ($W\frac{1}{2}E\frac{1}{2}$) of Section Two (2), Township Thirty-six (36) North, Range Fifty-nine (59) East.

The estimated cost of said work will be not less than Five Hundred (\$500.00) Dollars:

The time necessary to complete said work is six months.

Dated at Deeth, Nevada, this 18th day of August, 1919.

L.S. Weathers.
Applicant.
